- 1) *Club membership will be **\$250.00 or \$334.43** per club. The GNS Club membership fee is \$200 per club. All Gymnastics Canada Clubs must now also pay a ReSound fee of \$50 per year making the minimum club fee total \$250. Clubs using music must also pay a SOCAN (Society of Composers, Authors and Music Publishers of Canada) fee with their registration so this registration with the ReSound totals \$334.43 per year.
Club registration entitles the club to receive regular information on routines, courses, clinics, etc., and technical assistance.*

- 3) *Recreational coaches will pay a **\$39.00** fee and for this they will be informed of clinics, courses, camps, etc., through their club.*
- 4) *Competitive athletes will pay a **\$79.00** fee and coaches and judges a **\$49.00** fee. This entitles them to participate in Gymnastics Nova Scotia sanctioned events. This is a full membership in both Gymnastics Nova Scotia (GNS) and Gymnastics Canada (GymCan).*

All coaches, judges and competitive athletes must be registered with the Association by October 15, 2021 if they wish to participate in any GNS sanctioned events held after that date.

- 5) *Other members, such as individual club executives and interested persons may join and will pay a **\$27.00** fee per person.*

ASSOCIATE MEMBERSHIP

This entitles the individual/group to receive information on routines, courses, clinics, etc. and other technical assistance.*
- 2) *Since individual athletes/members are not registered, liability insurance and sport accident insurance is **not** provided.*

AFFILIATE MEMBERSHIP

- 1) *Affiliate Membership for birthday party participants is a one-time payment of **\$1.00** per participant.*
- 2) *The Club is covered for liability in case of an accident however the individual participant cannot claim sport accident insurance.*

HOW TO REGISTER

- 1) Registration **should** be completed by computer.
- 2) **Registration process:**
 - i) The required registration information may be recorded on the attached file in a format similar to previous years. **I will send the file as an attachment and you can return your member lists as an e-mail attachment.** The file or attachment has a database set up in Microsoft Excel (Member 2020-2021). If your computer system will not adapt to this software (**Microsoft Excel**) simply record the data on your own database program and save it as a **.dbf** file.

You must use the following **24** column divisions if creating your own database:

Club	E-mail address	Coach NCCP #
Last Name	Gender	Coach RIS Number
First Name	Birthdate (d, m, yr)	Gymnast (G)
Address	GNS#	Gymnast Division (C or R)
City	Coach (C)	Tramp or Tumb (T)
Province	Coach Disc Artistic	Tramp or Tumb Division (C or R)
Postal Code	Coach Disc T&T	Judge (J)
Phone#	Coach Div (C or R)	Vol or Bd Member (M)

Please fill in all letters that apply for example: If a competitive gymnast is also a recreational artistic coach and a recreational trampolinist as well as a judge, you would fill in the following letters under the appropriate categories:

Coach	Coach Disc.	Coach Div	Gymnast	Gym Div	Tramp or Tumb	T Div	Judge
C	A	R	G	C	T	R	J

This will facilitate a faster processing of the registration information as the data will simply be copied and pasted to the GNS member database. **It will also ensure that we can do proper reporting as part of our provincial funding and therefore receive the appropriate amount of funding for our participation numbers.**

- ii) assign each registrant a GNS number;
 - iii) issue the registrant the corresponding membership card- numbers included (cards only included if requested);
 - iv) return the completed spreadsheet to the GNS office via email and send the registration payment with summary sheet via regular mail.
- 3) **Continuing Registration:**

Further registrations should be completed in the same manner as the initial registration **but please only send new registrations and not your complete list.** It is anticipated that most active clubs will have an initial registration, followed by periodic further registrations, according to their particular terms or sessions. The GNS office has attempted to provide for this by providing each club in advance with a number of GNS numbers equal to or greater than its registration last year. However, in the event that any club anticipates a shortage of cards or numbers, you should contact the GNS office immediately so that adjustments can be made.
 - 5) Please forward all completed registration material, together with fees, to:

Gymnastics Nova Scotia
5516 Spring Garden Road, 4th floor
Halifax, Nova Scotia
B3J 1G6
E-mail: gns@sportnovascotia.ca

****NOTE** No Registration is effective until fully completed registration forms and full payment are received by the GNS office.**
